

JABRA GN9120

Jabra

SERIES

FREEDOM AND PRODUCTIVITY

The Jabra GN9120 is a wireless headset that works the way today's in-office professionals work. Offering an unbeatable range of personal mobility in the office, a robust talk time and a host of innovative features and benefits, the revolutionary GN9120 will give complete wireless freedom in the office.

The unique four-way conference call feature lets you hold fully mobile, secure conference calls not restricted to meeting rooms and without interruptions by the distortion of speakerphones. And, the Jabra GN9120 comes with a choice of three different boom arms, equipped with different microphones to suit quieter or louder office environments. With two speakers, the Jabra GN9120 DUO is perfect for open, noisy offices.

TECHNICAL SPECIFICATIONS

Range of up to 150 meters¹	The Jabra GN9120's unrivalled range gives you up to 150 meters of mobility away from your base unit!
Up to 12 hours of talk time	With talk time of up to 12 hours, the Jabra GN9120 won't let you down during even the longest of days.
Security	Featuring a multi-layered security system, the GN 9120 gives you complete peace of mind.
Mute Function	If you need to consult with others while on the phone, the mute function lets you quickly pause the transmission of your voice
Volume control	Receive adjustment: You're in full control of your caller's voice volume. Simply press the volume up/down buttons to adjust it. Transmit setting: Naturally, you can even adjust the volume of your own transmitted voice to suit the person on the other end.
PeakStop™ Protection	The Jabra GN9120 DUO guards against sudden loud noise spikes from the telephone network – max 118 dB SPL (RMS).
Conference calling	The multi-unit conferencing features let up to four headsets join a call. Now you can hold a fully mobile conference from virtually anywhere in the office!
Remote call answering/ending	Adding the GN 1000 RHL remote handset lifter with the GN 9120 lets you remotely answer/end calls away from your desk. Special versions of the GN 9120 even works with special telephone's built-in remote answering/ending functionality.
2 year warranty	Rest assured with Jabra no fine print warranty.

¹ Based on use in standard open office environments.
